Response to Restriction Requirement

Dear Sir:

On 8/23/2004, a restriction requirement was mailed on the above identified case. This restriction requirement assumed that claims 1-83 were pending. However, this is incorrect. Claims 1-83 were cancelled in a preliminary amendment (a copy of which is enclosed), and new claims 1-14 were added. Please withdraw the restriction requirement and begin the examination based upon new claims 1-14.

Respectfully submitted,

Ronald Craig Fish
